

WHAT DO YOU WANT TO SEE ON TV?

GW Information Technology invites you to tell us what you think of Philo Edu, which is provided to GW students in on-campus housing and in common areas on campus. With Philo Edu, you can:

- Watch high-definition TV on your computer, tablet, smartphone or Roku media players
- Record your favorite high-definition programs

Tell us your concerns and requirements that we should consider as decisions are made about the future of entertainment at GW, including the long term plan for providing these services in the residential halls.

When: Wednesday, January 16, 2019 @ 1pm

Where: Marvin Center Conference Room 407

Contact: [James Kim](#), Manager, ITSC Walk Up Support, GW Information Technology

Please [RSVP](#) by Tuesday, January 15, 2019 so we can prepare refreshments and send you a reminder.
