The Business Intelligence (BI) Showcase marks the second year anniversary of the GW BI program. The Showcase will focus on the BI roadmap and demonstrations of BI capabilities, Data Governance processes and tools and hands-on use of dashboards and reports produced by central BI and its partners from across GW.

Tuesday, October 7, 2014, 10:00 a.m. - 12:00 p.m.
Marvin Center, Room 309

Open to anyone who is interested in BI and Data Governance

Please join us for:
- Hands on demonstrations of dashboards and reports produced by central BI and its partners from across GW
- See numerous BI and Data Governance features and solutions
  - PI Dashboard
  - Missing Grades Dashboard
  - Diversity and Inclusion Dashboard, and many more
- Network and learn from GW BI and Data Governance practitioners
  - Learn: How to use Tableau and Cognos to build analytics applications
    - What agile BI looks like
    - What data is in the Data Warehouse
    - How to use the Data Governance center to share data, and much more
