The 1st Annual BI Showcase was held October 7th, 2014 from 10:00am – Noon at the Marvin Center. The Showcase focused on the BI roadmap and demonstrations of BI capabilities, data governance processes and tools and hands-on use of dashboards and reports produced by central BI and our partners from across GW.

Along with the demonstrations of PI Dashboard, Missing Grades Dashboard (Registrar), Diversity and Inclusion Dashboard (HR, Terri Reed), SAIG Solutions (SAIG Team), Overview of the Data Warehouse, Veteran’s Dashboard, and Data Governance there was an opportunity to see Agile BI, and network for the 70+ GW Faculty and Staff that attended.
